

**NOTICE OF INVESTIGATION – SECOND NOTICE – CASE NUMBER:788421**

**- Please disregard if you have already filed your case. -**

**Please note – We have NO upfront fees for our services.**

Assuming we take on your case it would be on a contingent basis. How much our fee would be? I would need to confirm after I review your particular scenario / contracts / etc.... We would be filing arbitration which would not require your presence, not to mention is a fast process compared to suing the company in court. Typical case usually takes 60-90 days, 120 days at most.

**"If it seems too good to be true, it probably is" DO NOT PAY ANY UPFRONT FEES MOVING FORWARD!** To any company, a lawyer, website designer, tax consultant, or local contractor. There is no way of verifying if a company is a scam or not these days. Just protect yourself by not paying anything upfront. The Better Business Bureau (100 YEARS OLD COMPANY) has been caught allowing companies to pay for their A+ rating, see ABC 20/20 investigation report.

- Copy of proof of payment (copy of check, credit card statement showing charge in question, etc..)
- Copy of any correspondence with the company (emails, welcome letters, etc..)
